

Adopt-A-Property with HCHA.

“It’s not the years in your life that count, it’s the life in your years.”

Adopt - A - Property Program

HCHA properties are filled with residents who enjoy living life to the fullest. We believe in creating quality, vibrant environments where residents can feel connected to one another and the community around them.

HCHA also believes that quality of life is just as important to our neighbors as it is to us. That is why we’ve created the Adopt-A-Property Program that allows businesses and organizations an opportunity to further their community outreach efforts through sponsoring events and activities for families at our communities.

Program Benefits for Organizations

- Furthers community outreach mission.
- Puts a human face to brands.
- Enhances company image.
- Keeps community healthy and vibrant.
- Rewarding volunteer opportunities for staff.

HCHA currently has two senior living properties available for corporate sponsorship. If your company already has or would like to begin a community outreach program, we’d like to connect with you today.
