REQUEST FOR QUALIFICATIONS:

The Harris County Housing Authority is seeking a Contractor to perform rehabilitation and upgrades to 8 single family homes for a project funded by the Neighborhood Stabilization Program. The rehabilitation must strategically incorporate modern, green-building, and energy-efficiency improvements thereby providing increased sustainability and attractiveness of housing and neighborhoods.

In the narrative proposal detail how your company plans to provide appropriate rehabilitation services. Please include the following in your proposal:

- A statement of qualifications showing past experience with the same or similar type(s) of program.
- Brief description of organization capacity including an organization chart, staffing, including resumes of key person or persons that will be assigned to assist in administering the program.
- Estimated critical path schedule of the time to complete 8 Single family homes located in Harris County areas outside the City of Houston.
- List of client references served over the last three (3) years.

Applicants should submit three (3) copies of their Statement of Qualifications to: **Harris County Housing Authority, Affordable Housing Division, 8933 Interchange, Houston TX 77054**. Statements of qualifications must be received ***no later than 4:00 pm, Tuesday, August 24, 2010***. Packets may be hand-delivered or mailed. Faxed or electronic submissions will not be accepted. Any submissions received after the deadline, will not be reviewed.
