## **Fellow Employees,**

With another year on the horizon, we are excited to share some positive changes for your benefits.

For starters, the County is moving its benefits plan year to a calendar year beginning January 1, 2024. This change will simplify how your benefits are administered since deductibles, out-of-pocket maximums and flexible spending accounts are determined on a calendar year basis.

Another change is the transition to a new medical insurance, Aetna, approved by Commissioners Court for a five-year contract effective January 1.

We are also happy to share something that isn't changing. Commissioners Court approved to keep premiums and our benefits the same this upcoming plan year. This means no changes to what you contribute from your paycheck or pay out of pocket to access care and services.

We want you to know that Harris County and the Human Resources & Risk Management team are here to support you. Please don't hesitate to reach out to us if you need help or would like a benefit explained in more detail.

**Shain Carrizal**

Executive Director, Human Resources & Risk Management

# New in 2024

## New Medical Insurance

Beginning January 1, 2024, our medical insurance carrier changes to Aetna. The Base and Plus plans remain the same.

**Find details on these  
and all of your benefits  
throughout this guide.**

# Compare Your Health Benefit Options

**After you review the plan options and make your decision, follow the steps on page 18 to enroll.**

Harris County health plans are divided into two categories: Base and Plus. Both plan options provide you with the same Aetna network, giving you and your covered dependents access to a broad network of physicians, facilities and healthcare services.

**Use the overview on the following pages to choose a plan that best fits your needs and those of your dependents.**

📍 *Maria Sabala, County Clerk;  
Melina Rodriguez, County Clerk*

## Base Plan

The Base plan is designed to keep your monthly costs low through higher deductibles and out-of-pocket maximums. You'll pay more for services that you use, but you'll pay the lowest premiums.

VS

## Plus Plan

With the Plus plan, you'll pay a higher monthly premium, but your deductibles, out-of-pocket maximums and costs for services will be lower.

## Additional Terms to Know

- **Beneficiary** — A person named to receive the income or inheritance from a will, insurance policy, trust, etc.
- **Coinsurance** — The amount you pay, as a percentage of the cost of your allowed services, after you reach the deductible until you reach the plan's out-of-pocket maximum.
- **Copayment** — The fixed dollar amount you will pay for a healthcare service.
- **Deductible** — When applicable, the initial amount you pay before your insurance begins covering certain services.
- **Dependent** — A person who is eligible for coverage under a policyholder's health insurance coverage.
- **Out-of-Pocket Maximum** — The most you will pay per calendar year for covered, in-network healthcare expenses, including prescription drugs. Once this limit is met, the plan pays 100% on eligible expenses for the remainder of the calendar year.
- **Premium** — The amount you pay for insurance. In most cases, Harris County pays all or a portion of the premium.

# Eligibility & Enrollment

How to proceed once you've  
selected the plan that's best for you.

# Health Plan Eligibility

Unless otherwise noted, you and your dependents are eligible for the benefits described in this guide as long as you are benefits-eligible and are a department head, regular-position employee<sup>1</sup> or an elected/appointed official in Harris County.

## Dependent Eligibility

All covered dependents are enrolled in the same plan as the employee.

Documentation is required to support the eligibility status of each of your dependents. Documents sent to the Benefits Office in a foreign language must be accompanied by a certified English translation. Harris County is required by law to provide healthcare coverage for children identified on National Medical Support Notices.<sup>2</sup>

WHO IS ELIGIBLE?	REQUIRED SUPPORTING DOCUMENTATION	ELIGIBILITY DETAILS

Failure to drop dependents after a divorce finalized by court may be considered insurance fraud and may result in a referral to the District Attorney's office for investigation. Any employee committing insurance fraud will be liable to reimburse Harris County for claims activity.

<sup>1</sup>A regular-position employee is defined as "an employee hired for an indefinite period and regularly scheduled to work at least 32 hours per week." Please see Section 9 of the Harris County and Harris County Flood Control District Personnel Policies & Procedures for more information.

<sup>2</sup>Upon receipt of a Medical Support Notice from the Texas Attorney General or presiding court, or upon receipt of any similar such legal mandate by a court or agency having jurisdiction over the County, the County must comply with any such directive, subject to the terms of our plans. Such directives may not be overturned except through revised documentation received from the applicable agency overturning any prior directives. No refunds will be issued.

# Enrollment & When to Enroll

It's important to carefully consider the benefit options available to you and your dependent(s) as there are only three opportunities to select your coverage or make changes to your benefits.

## 1. When You're Hired

Benefits begin on the first day of the pay period following 45 days of continuous employment as a regular-position employee unless a County policy in effect at the time specifies a different period. If you are already covered as a dependent on the Harris County health plan by a parent or spouse, that coverage will cease when your coverage goes into effect. You may not waive your own coverage to remain on your parent's or spouse's plan.

## 2. During Open Enrollment

This is a great time to review benefits and make any needed updates. You can change your benefit choices and add/or drop dependents.

- For the 2024 plan year, the Open Enrollment period is October 16 – November 3, 2023. Please ask your Benefits Coordinator for your department's specific deadline. If you are adding dependents, please provide your Benefits Coordinator with the necessary documentation when you return your completed open enrollment worksheet.
- If you don't make any changes, your current benefits will stay the same. If you do plan to add and/or drop dependents during Open Enrollment, they will take effect January 1, 2024.

## 3. After Qualified Life Events

Life happens, and your benefits plan has the flexibility to adjust with you. When you experience a qualified life event, contact your Benefits Coordinator to submit your change request within the same calendar year the event takes place unless otherwise noted.

The following are qualified life events that allow you to make changes to your benefits:

- Marriage
- Divorce — must submit changes within 60 days to avoid forfeiture of COBRA rights
- Birth
- Adoption or placement of a foster child
- Death
- Spouse and/or dependent gains or loses coverage through employment or other insurance provider
- Significant change in the financial terms of health benefits provided through a spouse's employer or another carrier
- Unpaid leave of absence taken by employee or spouse
- Changing a dependent care provider or having a significant increase or decrease in provider payment
- Change in Medicare or Medicaid eligibility status
- Loss of State Children's Health Insurance Program (SCHIP), but not gain of SCHIP benefits

## Coverage for Newborns

Aetna provides automatic coverage for newborns of mothers insured by the plan for the first 31 days from the date of birth. For your newborn to remain covered beyond 31 days, you must add him/her to the plan. If you add your newborn to your plan after 31 days, coverage will not be retroactive to the date of birth, and you will be responsible for the medical claims incurred during the uncovered period.

# Using Your Medical Plan

We want you to get the care you need and also save money. Obviously, if there's a true emergency, get to your hospital's emergency room as quickly as possible. But some people make the mistake of going to the emergency room or an urgent care facility for minor illnesses, and doing so can cost you money.

Use this chart as a guide to know where to go for different kinds of illnesses and injuries:

← LOWER COST HIGHER →					
	EMPLOYEE CLINIC	AETNA TELADOC	DOCTOR'S OFFICE	URGENT CARE	EMERGENCY ROOM
What is the visit for?	Routine or preventive care, non-urgent care and to manage a condition	Minor illnesses and injuries  teladoc.com/Aetna 1-855-835-2362	Routine or preventive care, non-urgent care and to manage a condition	Urgent but not serious or life-threatening	Immediate treatment for a serious or life-threatening situation
What is the wait?	 Same-day appointments Monday – Friday 7:30 a.m. – 4:30 p.m.	 Appointment typically in an hour or less	 Appointment typically required	 No appointment, wait times vary	 No appointment, but could take hours for care
What is the cost?	  \$0	  \$15 – \$40	  \$15 – \$40	  \$50	  \$300

Comparison is based on in-network services. Cost represents your copay based on your plan and service type — Base or Plus; non-specialist or specialist visit. For specific copay amounts, see pages 8 – 13.

This summary is intended for reference purposes only. Always use your best judgement when seeking treatment for you and your family.

## Understanding In-Network vs. Out-of-Network

Whether you choose the Base or the Plus medical plan, the coverage is through the Aetna Choice POS II (Open Access) network. It's a large network of providers and facilities covering almost every medical service you may need.

Yet a great benefit of your healthcare plan is that you aren't limited to in-network providers. You always have the choice to decide when, where and how to receive medical care. So if you prefer to select a primary care physician (PCP) or other provider who isn't part of the network, you always have that freedom. Just be aware that if you use an out-of-network provider or facility, you will be responsible for paying the difference between the covered amount and the amount charged by the provider/facility.

### Your Best Value

We want you and your dependents to have the care you need, so considerable effort has been made to ensure that the network offers a wide range of qualified choices. When you select an in-network provider or facility, you'll get the lowest costs. The County will save money, too.

To see if a provider or facility is part of the network, go to [aetna.com](https://www.aetna.com) or use the Aetna Health<sup>SM</sup> app.

### In-Network Only!

#### Bariatric Surgery Dialysis

For these services, you will be responsible for the entire cost if you use an out-of-network provider/facility.

# Additional Services & Program Info

Your coverage includes access to a range of medical services. For help with any of these services, call Aetna at **800-228-6481**.

## **AbleTo Behavioral Care Program**

Sometimes life can be overwhelming, leading to worry, stress and sadness. These are common feelings with major life changes or chronic pain. But help is now just a phone call away.

With the AbleTo program, you can get virtual, personalized support that will help you feel better. You'll learn how to better manage your emotions and improve your overall health. And your mental and physical health can improve in as little as eight weeks.

### **Consider AbleTo support if you've had one of these health conditions or life changes:**

- Depression, anxiety or panic attacks
- Chronic pain/pain management
- Grief and loss
- Diabetes/weight loss
- Cardiovascular disease
- Caregiver stress (child, elder or person with autism)
- Digestive health issues
- Cancer diagnosis and recovery
- Respiratory issues
- Infertility or postpartum depression
- Alcohol or substance use disorder
- Military transition

## **Easy ways to join the program**

### **We'll call you:**

If your claims data shows you may benefit from this program, an Aetna or AbleTo representative will call you to explain how it works and why it can help you. In most cases, there's no cost to you.

### **Or you can contact us:**

- Visit [AbleTo.com/Aetna](https://www.AbleTo.com/Aetna)
- Call **1-844-330-3648**, Monday – Friday from 8 a.m. – 7 p.m. CT
- Tell your Aetna case manager you'd like to participate

## **Your Hearing Aid Program**

Hearing Care Solutions and Amplifon offer discounted prices, a risk-free 60-day trial period, a 3-year warranty and expert care.

## **Transform Oncology Program**

A cancer diagnosis is life changing. And you probably have a million things on your mind as you navigate your treatment. Aetna is here for you with the resources and support you may need to manage your care, understand your benefits and locate the right providers.

# Pregnancy & Postpartum

## Finding Care for You & Your Baby

When you're expecting, there's more to do than choose a name. Fortunately, programs are available to help you prepare for everything from changes in your body and lifestyle to finding a pediatrician.

### Enroll in the Aetna Enhanced Maternity Program™

- Learn about what to expect before and after delivery, early labor symptoms, newborn care and more.
- Receive phone-based genetic counseling and screening as well as convenient, confidential and cost-effective genetic testing.
- Make informed decisions throughout your pregnancy.
- Receive advice on lowering your risk for early labor.
- Learn how to cope with postpartum depression.

**Call Aetna at 800-228-6481 to enroll as soon as you know you are pregnant.**

### Breastfeeding Supplies & Support

You're eligible for a breast pump covered at 100% from an in-network Durable Medical Equipment supplier. To qualify for coverage you must have one of the following claims:

- Claim with a pregnancy diagnosis
- Delivery claim
- Lactation claim

Durable Medical Equipment providers may require a prescription when ordering your breast pump. Contact Aetna at 800-228-6481 to obtain a list of National Durable Medical Equipment providers.

**Lactation support classes are preventive and covered at 100%.**

## Prescription Drugs

Prescription drug coverage is included in your medical plan and is provided by Aetna. Aetna has a 4-tier prescription drug program that divides covered medications into tiers or coverage/cost levels. Typically, the higher the tier, the greater the cost of the medication.

### YOUR PRESCRIPTION MEDICATION COSTS

	RETAIL	HOME DELIVERY / 90-DAY RETAIL
Tier 1 — Generics	25% min \$5 / max \$50	25% min \$10 / max \$100
Tier 2 — Preferred Brands	30% min \$25 / max \$150	30% min \$50 / max \$300
Tier 3 — Non-preferred Brands	35% min \$50 / max \$250	35% min \$100 / max \$500
Tier 4 — Specialty Medications	30% min \$75 / max \$350	-

### Know What's Covered & Estimate Your Cost

Medications can be reclassified in different tiers, so whether you have a new prescription or one you take regularly, it's wise to determine if your medication is covered and at what tier. You can also estimate your costs in advance if you're purchasing at an in-network pharmacy or through Aetna's CVS Caremark® Mail Service Pharmacy.

- **To see if your medication is covered:**

Download the Aetna Standard Plan and Preventive Generic List at [benefitsathctx.com](https://benefitsathctx.com).

- **To find an in-network pharmacy & estimate the cost of your medication:**

Log in (or register) at [aetna.com](https://aetna.com) or use the Aetna Health<sup>SM</sup> mobile app.

- **Questions?**

Talk with a Aetna representative at **800-228-6481**.

## Prescription Drugs — Key Terms to Know

### No-Cost Preventive Generic Medications

Preventive medications are used to prevent conditions like high blood pressure, high cholesterol, diabetes, asthma, osteoporosis, heart attack, stroke and prenatal nutrient deficiency. Harris County and Aetna cover certain preventive generic medications at 100%, or no cost (\$0) to you.

### 90-Day Prescription Refills

You can fill your maintenance medication in a 90-day or 30-day supply at a retail pharmacy. Aetna offers a retail pharmacy network that gives you more choices for where you can fill your 90-day prescriptions. Some major pharmacies include CVS, Walmart, H-E-B and Kroger. Log in at [aetna.com](https://www.aetna.com) or use the Aetna Health<sup>SM</sup> mobile app to compare cost and find a nearby, participating retail pharmacy.

### Prior Authorization

Under your plan, certain medications need approval from Aetna first before they're covered. These medications have a (PA) next to them on your drug list and will only be covered by your plan if your doctor requests and receives approval from Aetna. Types of medications that typically need approval are those that:

- May be unsafe when combined with other medications
- Have lower-cost, equally effective alternatives available
- Should only be used for certain health conditions
- Are often misused or abused

For medications, prior authorizations are typically handled by your doctor's office, which will work directly with Aetna. Aetna will then contact you with the results to let you know if your drug coverage has been approved or denied, or if they need more information.

### Specialty Medications

Specialty medications are used to treat complex conditions like multiple sclerosis, hepatitis C and rheumatoid arthritis.

### PrudentRx

CVS Caremark<sup>®</sup> has collaborated with PrudentRx exclusively for a program that may help you save money when you fill eligible specialty medications.

### How It Works

A PrudentRx trained member advocate will be able to assist you through a high-touch, proactive engagement process to facilitate enrollment and help you obtain non-need-based manufacturer assistance where applicable.\* Participating members will have a \$0 out-of-pocket cost on eligible specialty medications!

\* Not all specialty prescriptions offer manufacturer assistance. Eligibility for third-party copay assistance program is dependent on the applicable terms and conditions required by that particular program and are subject to change. Copay assistance program may not be used with any federal healthcare program.

To find an Exclusive Collection provider near you, log in to the mobile app or at [davisvision.com/member](https://davisvision.com/member).

### **Fully Covered: Contacts from The Exclusive Collection**

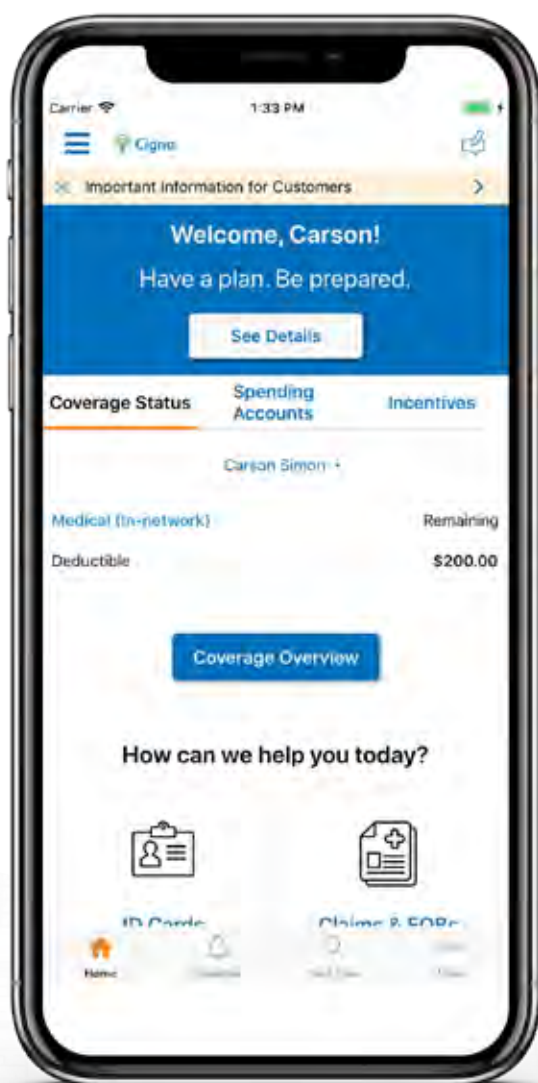

Available at participating provider locations, The Exclusive Collection of contact lenses features many popular brands and is fully covered along with fitting and follow-up care.

## Dental

Dental benefits are provided by Cigna to all members covered by Harris County's medical plan.

- You can choose to use any licensed dentist, though you'll get the biggest savings if you use a dentist in the Cigna dental network. You can also see a specialist without a referral.
- The amount your plan pays depends on:
  - The coinsurance level for the service you received
  - Which dentist you visit — in-network or out-of-network
  - If you've paid your deductible and/or reached your maximum benefit
- Once you reach the plan's maximum annual benefit, your plan will no longer pay a portion of your costs during that calendar year.

### Get Started with myCigna:

To look for an in-network dentist, estimate the cost of care and more, use your myCigna account. If you haven't registered for a **myCigna.com** account, here's how:

1. Go to **myCigna.com** and select "Register."
2. **Enter your personal details** like name, address and date of birth.
3. **Confirm your identity** with secure information like your Cigna ID or social security number, or complete a security questionnaire. This will ensure only you can access your information.
4. **Create a user ID and password.**
5. **Review and submit.**

## Plan Documents

The Summary of Benefits Coverage (SBC), provided separately from the Benefits Guide, summarizes the key features of our medical plans, including covered benefits, cost-sharing, coverage limitations and exceptions.

The Glossary of Health Coverage and Medical Terms will help you understand some of the most common language used in health insurance documents.

You may obtain a detailed description of coverage provisions including the Summary of Benefits Coverage (SBC) and the Glossary of Terms — both of which are available in English and Spanish — and/or the Summary Plan Document (SPD) from Human Resources & Risk Management (HRRM) Employee Benefits. They are also available on the Benefits & Wellness website at **benefitsathctx.com**.

You may obtain a printed copy of the SBC or the Glossary of Health Coverage and Medical Terms at no charge by contacting the Benefits & Wellness Division at **713-274-5500**, or toll free at **866-474-7475** and it will be sent to you within seven business days.

## Notice of Privacy Practices

This Notice describes how medical information about you may be used and disclosed and how you can request access to this information. Review it carefully.

This Notice is for participants and beneficiaries in the Plan.

As a participant or beneficiary of the Plan, you are entitled to receive this Notice of the Plan's privacy practices with respect to your health information that the Plan creates or receives (your "Protected Health Information" or "PHI"). Our "Notice of Privacy Practices" was updated to comply with new changes to the Health Insurance Portability and Accountability Act ("HIPAA") effective as of October 1, 2018.

This Notice is intended to inform you about how we will use or disclose your PHI, your privacy rights with respect to PHI, our duties with respect to your PHI, your right to file a complaint with us or with the Secretary of the United States Health and Human Services (HHS), and how to contact our office for further information about our privacy practices.

This Notice and the most updated Notice of Privacy Practices will be posted at **benefitsathctx.com**, or you may request a copy by calling **713-274-5500**.

## COBRA Notification Obligations

The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provides group health insurance continuation rights to employees, spouses and dependent children if they lose group health insurance due to certain qualifying events. Two qualifying events under COBRA require you, your spouse or dependent children to follow certain notification rules. You are required to notify Harris County of a divorce or if a dependent child ceases to be a dependent child under the terms of the group health insurance plan.

Each covered employee, spouse or dependent child is responsible for notifying Harris County within 60 days after the date of the divorce or the date the dependent child ceased to be a dependent, as defined under the terms of the Group Health Insurance Plan. Failure to properly notify Harris County within the required 60 days will forfeit all COBRA rights that may have arisen from these two qualifying events.

## Notice of Wellness Program Participation

Harris County wellness programs and services are voluntary and available to all insurance-eligible employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program, you may be asked to complete a voluntary health risk assessment or HRA that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes or heart disease). You may also be asked to complete a biometric screening, which will include a blood glucose and/or cholesterol test. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

Although you are not required to complete the specific actions, only employees who do so will receive the incentives.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Aetna at **800-228-6481**.

The information from your HRA and the results from your biometric screening, if applicable, will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

### Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Harris County may use aggregate information it collects to design a program based on identified health risks in the workplace, Harris County Employee Wellness will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to

a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is(are) a Aetna health coach(es) in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you promptly in accordance with state and/or federal law.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate. If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Director of Harris County Human Resources & Risk Management or the Director's designee (**713-274-5000**). If you have questions or concerns about disclosures of your health information, please contact the County Attorney's Office at **713-755-5101**.

## Medicare

### Parts A & B

Medicare becomes the primary insurer when a retiree, or a dependent of a retiree, turns 65 or becomes eligible due to disability. Harris County medical benefits then become secondary to Medicare.

The Harris County Medical Plan coordinates its benefits with Medicare Parts A & B. Since Medicare is the primary insurance, it must pay benefits first before the Harris County Medical Plan will pay benefits. The Harris County Medical Plan will pay benefits as if Medicare Part B paid first even if you are not enrolled in Medicare Part B. This will cause a gap in your coverage if you do not enroll in Medicare Part B as a retiree.

NOTE: If you are actively at work upon attaining the age of 65, you do not need to purchase Medicare Part B. If your spouse's primary insurance is the Harris County plan, they do not have to purchase Medicare Part B until you retire.

Active employees and their covered dependents who are eligible for Medicare may postpone enrolling in Medicare until the employee retires. Each employee and/or their dependent should make this decision based on their individual situation. Medicare will pay secondary to the Harris County Medical Plan for covered services if you do choose to enroll while actively employed. You should contact the Social Security Administration at 800-772-1213 if you have any questions concerning coordination of benefits between the Harris County Medical Plan and Medicare.

### Part D

Harris County Medicare eligible employees and retirees should NOT enroll in Part D — Medicare Prescription Drug Plan. Enrollment in a Medicare Prescription Drug Plan is voluntary, but Harris County's Medical Plan administered through Aetna typically provides more comprehensive prescription drug coverage. In addition, there is no coordination of benefits between Harris County's medical plan and the Medicare Prescription Drug Plan; however, there will continue to be coordination with Medicare Parts A and B.

If you meet certain income and resource limits, Medicare's Extra Help Program may assist in paying some of the costs of its prescription drug coverage. You may qualify if you have annual earnings of up to \$21,870 (\$29,580 for a married couple living together) and up to \$16,600 in resources (\$33,240 for a married couple living together).

If you don't qualify for the Extra Help Program, your state may have programs that can help pay your prescription drug costs. Contact your State Health Insurance Assistance Program (SHIP) for more information at 800-252-3439. Remember that you can reapply for the Extra Help Program, at any time if your income and resources change.

For more information and assistance with your prescription drug costs, call Social Security at **800-772-1213** or visit [socialsecurity.gov](https://www.socialsecurity.gov). If you or any of your covered dependents are eligible for additional coverage through Medicaid, you should contact 800-MEDICARE (**800-633-4227**) or visit [medicare.gov](https://www.medicare.gov) to determine the best prescription drug option for you.

## 2023 Federal Income Tax Return .....

The Affordable Care Act requires Harris County to send an annual statement to all employees eligible for health insurance coverage describing the insurance available to them. The Internal Revenue Service (IRS) created Form 1095-C to serve as that statement.

This form will be mailed directly to your home address in early 2024.

### **What You Need to Do:**

1. Provide the required information. We need specific information on people enrolled in the health plan in order to provide you a complete 1095-C. If we do not have accurate Social Security numbers on every dependent, the IRS may impose a penalty for non-compliance.
2. Ensure that your mailing address is correct in the County's payroll system so that you can receive your 1095-C. You will need information from your 1095-C to prepare your 2023 taxes.
