INSTRUCTION TO OFFERORS FOR NON-CONSTRUCTION
(FORM HUD 5369-B)

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. - (b) Disputes arising out of the labor standards provisions of paragraph 6 shall not be subject to paragraph 5(a) of this form HUD-5370C. Such disputes shall be resolved in accordance with the procedures of the U.S. Department of Labor set forth in 29 CFR Parts 5, 6 and 7. Disputes within the meaning of this paragraph 5(b) include disputes between the Contractor (or any of its subcontractors) and the HA, HUD, the U.S. Department of Labor, or the employees or their representatives.

6. Contract Work Hours and Safety Standards Act

The provisions of this paragraph 6 are applicable only where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" includes watchmen and guards.

- (a) **Overtime requirements.** No Contractor or subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.
- (b) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the provisions set forth in paragraph 6(a), the Contractor and any

subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to the District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the provisions set forth in paragraph (a) of this clause, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by provisions set forth in paragraph (a) of this clause.

(c) Withholding for unpaid wages and liquidated damages.

HUD or its designee shall upon its own action or upon written request of an authorized representative of the U.S. Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such Contract or any federal contract with the same prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the provisions set forth in paragraph (b) of this clause.

7. Subcontracts

The Contractor or subcontractor shall insert in any subcontracts all the provisions contained in this Section II and also a clause requiring the subcontractors to include these provisions in any lower tier subcontracts. The prime Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the provisions contained in these clauses.

8. Non-Federal Prevailing Wage Rates

Any prevailing wage rate (including basic hourly rate and any fringe benefits), determined under state law to be prevailing, with respect to any employee in any trade or position employed under the Contract, is inapplicable to the contract and shall not be enforced against the Contractor or any subcontractor, with respect to employees engaged under the contract whenever such non-Federal prevailing wage rate, exclusive of any fringe benefits, exceeds the applicable wage rate determined by the Secretary of HUD to be prevailing in the locality with respect to such trade or position.

SECTION 3 POLICY

Harris County Housing Authority
Section 3 Policy

STATEMENT OF PURPOSE

The purpose of Section 3 of the Housing and Urban Development Act of 1968, as amended by Section 915 of the Housing and Community Development Act of 1992, is to "ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed toward low-and very low income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low-and very low-income persons." The 1992 Act sets forth:

- The types of HUD financial assistance, activities, and recipients subject to the requirements of Section 3;
- The specific individuals and business concerns who are the intended beneficiaries of the economic opportunities generated from HUD-assisted activities; and
- The order of priority in which these individuals and business concerns should be recruited and solicited for the employment and other economic opportunities generated from HUD-assisted activities.

The Harris Housing Authority's Section 3 Policy is expressed in this statement, the goal statement, and the preference tiers. Implementation procedures may be amended periodically to insure that the policy requirements are being met or to bring about efficiencies in the implementation of the program based on the practice and experience of running the program.

*Note that supply and delivery contracts are exempted from these Section 3 Policy requirements.

HARRIS COUNTY HOUSING AUTHORITY PREFERENCE TIERS

Harris County Housing Authority's preference is to ensure that as many housing authority residents as possible are employed. In an effort to further that goal, the Authority has created the following preference tier structure. Vendors are asked to comply with Section 3 by first considering Category I, hiring at the site where work is being performed. If the vendor demonstrates to the Authority's satisfaction the inability to hire at the site, the Authority's next preference is for the vendor to hire residents from other Authority properties and/or programs (Category II). If the vendor cannot meet its Section 3 goal in this manner and needs to move to other categories, the vendor must document this inability to comply with the preference.

I. Preference for Section 3 Residents in Training and Employment Opportunities

Category I Train/hire residents from the site where the work is being performed

Category II Train/hire residents of other housing developments and/or programs managed by the housing authority that is expending the covered assistance

Category III Train/hire participants in a HUD Youthbuild-like program being carried out in the metropolitan area or Non-metropolitan County in which the covered assistance is expended

Category IV Train/hire other Section 3 residents

II. Preference for Section 3 Business Concerns in Contracting Opportunities

Category I Businesses

Business concerns that are 51 percent or more owned by residents of the housing development or developments for which the Section 3 covered assistance is expended and whose full-time permanent workforce includes 30 percent of these persons as employees (or 30% of persons who were Section 3 residents within 3 years of their first employment)

Category II Businesses

Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the housing authority that is expending the Section 3 covered assistance and whose full-time, permanent workforce includes 30 percent of these persons as employees (or 30% of persons who were Section 3 residents within 3 years of their first employment)

Category III Businesses

Business concerns that are 51 percent or more owned by residents of the housing development or developments for which the Section 3 covered assistance is expended

Category IV Businesses

Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the housing authority that is expending the Section 3 covered assistance

Category V Businesses

HUD Youthbuild-like programs being carried out in the metropolitan area in which the Section 3 covered assistance is expended

Category VI Businesses

Business concerns that are 51 percent or more owned by Section 3 residents and:

- i. whose permanent, full-time workforce includes no less than 30 percent Section 3 residents; or
- ii. that subcontract 20 percent or more of the total amount of the contract (including modifications) and subcontracts 25 percent of the subcontracted amount to Section 3 business concerns

Category VII Businesses

Business concerns that are 51 percent or more owned by Section 3 residents

NOTE: For contracts or purchase orders \$100,000 or less, other economic opportunities can be identified without regard for the Harris County Housing Authority's preference requirements.

SECTION 3 COMPLIANCE REQUIREMENTS

Hiring

A. Background

1. The Section 3 regulations provide that recipients, their contractors, and any subcontractors demonstrate compliance by employing Section 3 residents as 5% of the aggregate number of new hires.

2. The Section 3 Regulations, at CFR Part 135, require that in affordable housing programs, compliance efforts shall be directed to provide training and employment opportunities to Section 3 residents in accordance with the HCHA preference tier structure.
3. If a new hire is needed and a Section 3 resident is identified, that Section 3 resident will be required to submit evidence of Section 3 status to the recipient, contractor or subcontractor.
4. The Harris County Housing Authority requires a preference for hiring from the development where work is being performed. However, the Harris County Housing Authority will not require a vendor to hire from the development at the site if:
 - a. A pre-identified list of Section 3 residents from a job site contains no persons qualified to perform the work. Qualified residents from other developments shall then be considered.
 - b. The vendor's workforce is adequate to do the job and no new hiring is needed. In the event that no new hires are needed, vendors must pursue other avenues of compliance as set forth in the Harris County Housing Authority's preference tier structure.

B. Compliance

1. As part of each bid or proposal submitted, the respondent must document their workforce by position. Such information will be re-verified at the commencement of the contract.
2. Vendors will be required to submit documentation in the form of payroll forms submitted weekly that clearly identify the Section 3 hires. The vendor must comply with the Section 3 requirement throughout the life of the contract. Harris County Housing will periodically audit this information. Failure to comply with the weekly submittal of payroll shall result in the delay of payment.
3. Harris County Housing Authority residents by virtue of their income are Section 3 residents. Contractors employing Harris County Housing Authority residents must retain documentation that demonstrates any Harris County Housing Authority residents hired to meet Section 3 employment goals are:
 - a. identified on the lease of household, that is lease compliant; and
 - b. able to provide to the contractor or subcontractor the client number for the household where Harris County Housing Authority residency is claimed. This client number must appear on the certified payrolls submitted by the vendor to verify a Section 3 hire.
4. Non-Harris County Housing Authority households claiming Section 3 status must be prepared to submit evidence of income and residency in Harris County at the time of hire. As part of the Section 3 compliance process, vendors will be required to document that employees hired meet the residency and income requirements.

Contracting

A. Background

1. The Section 3 Regulations, at 24 CFR Part 135, provide that the Harris County Housing Authority, its contractors and subcontractors may demonstrate compliance by awarding contracts to Section 3 business concerns or to vendors who contract with such firms.
2. Harris County Housing Authority's contracting goals require that Section 3 firms receive at least:
 - a. 10 percent of the total dollar of all Section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing; or
 - b. 10 percent of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and
 - c. 3 percent of the total dollar amount of all other Section 3 covered contracts.
3. Goals apply to the entire amount of Section 3 covered assistance awarded to a recipient in any federal fiscal year (FFY), October 1- September 30. Correspondingly, Harris County Housing Authority's goals shall apply to the total dollar amount of each contract or purchase order.

4. Recipients that award contracts to contractors that will provide training or hiring, must ensure that contractors provide training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns.
5. Efforts shall be directed to award contracts to Section 3 business concerns according to HCHA preference categories.

B. Compliance

1. Business concerns claiming Section 3 status based on ownership and workforce or workforce only (as applicable) must meet that status at the time the bid or proposal is submitted to the Harris County Housing Authority.
2. Anyone claiming to be a Section 3 resident or business concern shall be required, as set forth by procedure, to provide evidence of such status.
3. Pursuant to 24 CFR 135.36 (c) any firm, prime or subcontractor claiming Section 3 status must demonstrate to the Authority's satisfaction that the business concern is responsible and has the ability to complete the work under the terms and conditions of the proposed contract. In evaluating firms under this provision the Authority will examine:
 - a. the work history and prior performance of the firm;
 - b. the requirements of the job versus the skills evidenced by the firm through its owners, officers, principals, and key staff;
 - c. technical and logistical capacity to complete the work considering contracts already awarded to the firm by the Authority or others;
 - d. bonding capacity and ability to obtain required insurance (with allowances for disadvantaged or startup firms);
 - e. evidence of past sanctions imposed by the Authority or others; and
 - f. evidence that the firm, its principals, associates, partners, subcontractors or others have not acted or colluded in order to circumvent the compliance process by structuring contractual or other relationships or engaging in practices designed to comply with Section 3 only to obtain the preference without regard to the work requirements of the job.
4. A business concern need not hire to be considered a Section 3 business provided that:
 - a. the business concern is 51 % or more owned by a Section 3 resident; or
 - b. the business concern's workforce consists of sufficient numbers of Section 3 residents to qualify the vendor as a Section 3 business (30% or more of the full-time workforce consists of Section 3 residents, or persons who were Section 3 residents within 3 years of first employment); or
 - c. the business concern subcontracts 20% or more of the total amount of the contract (including modifications) and in turn subcontracts 25% of the subcontracted amount to Section 3 business concerns (25% of 20%); or
5. After award of a contract, if a business concern must hire to maintain the Section 3 workforce percentage, new hiring efforts must be made in accordance with the Harris County Housing Authority preference tier for hiring (Category I).
6. If a business concern claims Section 3 status by virtue of workforce composition, documentation of the 30% workforce requirement must be submitted to the Authority as part of the response to the bid, quote, or proposal. Further, the firm must maintain the Section 3 workforce percentage throughout the life of the contract. Workforce composition is subject to audit.
7. A business concern (including joint-ventures) seeking to qualify for a Section 3 preference shall certify and submit evidence that they are entitled to the applicable Section 3 preference and that they are a Section 3 business concern as defined in 24 CFR, Part 135 and by the Harris County Housing Authority pursuant to this policy. Prime or subcontractors must submit documentation (including workforce composition data) as part of any bid, quote, or proposal submitted to the Harris County Housing Authority. Additional documentation is required for joint-ventures.

8. Firms that claim Section 3 business status by subcontracting (25% of 20%) of the total contract) to other Section 3 businesses must require that the subcontractor(s) provide ownership or workforce documentation as applicable. The prime contractors must keep such records on file and available for review by the Authority. Such documentation must also be submitted as part of any bid, quote or proposal.
9. Subcontractors identified by any prime contractor claiming Section 3 status per item 6 must be a Section 3 business by ownership and/or workforce as defined in this policy. Subcontractors used by prime contractors to comply with item 6 cannot claim Section 3 status by further subcontracting.
10. Section 3 Joint-Ventures - to meet Section 3 contracting goals the Authority is permitted to contract with an association of firms as least one of which meets the Authority's definition of a Section 3 business concern. A definition of a joint venture is provided in the definition section of this policy. Compliance requirements for joint-ventures are discussed below.
11. Joint-Ventures are subject to the following documentation requirements:
 - a. The joint-venture agreement must be in writing and must be submitted as part of the response to any bid or proposal solicited by the Harris County Housing Authority. In order for the Authority to evaluate the "adequacy" and "capacity", the agreement must describe in sufficient detail the area(s) of work assigned to each member of the joint-venture.
 - b. The joint-venture agreement must reference a completed and fully executed joint-venture certification, as provided by the Authority, which must also be attached to the joint-venture agreement as an exhibit.
 - c. The Harris County Housing Authority requires that the Section 3 joint-venture partner is a bona-fide Section 3 business; therefore, the joint-venture shall provide documentation that shows that the Section 3 partner meets the ownership and workforce, or workforce requirements established in this policy. Section 3 joint-venture partners cannot use subcontracting to establish their status as a Section 3 business concern.
 - d. Section 3 requires that the joint-venture partner be responsible for a clearly defined portion of the work. Proposals or bids must specify the labor hours assigned to and the compensation to be received by the Section 3 joint-venture firm.
 - e. Section 3 firms in the joint-venture must be qualified to perform the scope of work and have the capacity to complete the work assigned under the joint-venture agreement (see item b above).

Bid or Proposal Evaluation

- A. Vendors who fail to address Section 3 requirements will be deemed nonresponsive. This means that in the proposal or bid documents submitted to the Harris County Housing Authority, the Contractor's Affidavit and Compliance commitment must be completed including applicable attachments and supporting documentation to support claims of compliance by hiring, contracting, or other economic opportunities.
- B. After written notice from the Harris County Housing Authority specifying the defects in the Section 3 information, vendors will be given no more than 5 business days to complete the form and provide all required documents. Failure to respond within the 5 days will result in the Authority declaring the bidder or respondent non-responsive. The contract or bid will then be awarded to the next lowest bidder or to the respondent with the next highest score. Where the selection is a qualifications-based procurement, the Harris County Housing Authority will award to the firm that is the next highest ranked.

A. PURPOSE

As a county housing authority and public corporation, the Harris County Housing Authority (“Authority”) is obligated to achieve and maintain certain standards of ethics under state law and under its Annual Contributions Contract (“ACC”) with the U. S. Department of Housing and Urban Development (“HUD”). To achieve the highest standard of ethics and propriety, the Board of Commissioners adopted and established an Ethics Policy on August 15, 2012, to describe in a single document the various obligations of the Authority prescribed by federal and state law, and its contractual obligations with HUD. The purpose of the Ethics Policy is to maintain the reputation and goodwill of the Authority in Harris County and the state of Texas by ensuring that the public and other governmental entities have confidence in the integrity, independence, and impartiality of the commissioners, officers, employees, and other contractors of the Authority.

B. ENFORCEMENT

The board of commissioners shall recommend to any commissioner appropriate action to remediate or resolve any conflict or violation or shall refer to the Harris County Attorney’s Office the facts and issues regarding any unresolved conflict or violation by a

Ethics Policy

commissioner that could constitute inefficiency, neglect of duty, or misconduct in office that might justify removal of the commissioner from office. The board of commissioners shall direct the executive director to remediate or resolve any conflict or violation involving an Authority employee. The executive director may take appropriate action to remedy or resolve an employee conflict or violation, including disciplinary action under the Employee Handbook.

C. ETHICS POLICY

All commissioners and employees shall abide by the provisions of Texas State law and the HUD ACC contained in the Sources of Law and Policy section below. To the extent allowed by federal or state law or the HUD ACC, the following rules shall further regulate the conduct of commissioners and employees to avoid the appearance or risk of impropriety:

Economic Benefit

A commissioner or employee shall not take any official action that he or she knows is likely to affect the economic interest of the commissioner or employee or their immediate family; an outside client or customer; a household member; the outside employer or a parent, child or spouse; a business entity or its affiliate of the commissioner or employee or their immediate family; a person or business entity from whom the commissioner or employee, or a spouse, has, within the previous 12 months, solicited, received and not rejected, or accepted an offer of employment, or with whom the commissioner or employee, or a spouse, has engaged in negotiations pertaining to business opportunities. Any commissioner or employee shall disclose such a relationship or interest and refrain from participation in any discussion or official action in the affected matter. A commissioner who is required to refrain from participation or action under this Section shall not be counted as “absent” for purposes of making a quorum under Article III, Section 7 of the Authority’s Bylaws, because of the commissioner’s refrainment.

Unfair Participation

A commissioner or employee may not use his or her official position to unfairly advance or impede private interests, or to grant or secure, or attempt to grant or secure, for any person, including himself or herself, any form of special consideration, treatment, exemption, or advantage beyond that which is lawfully available to other persons. A commissioner or employee shall not acquire an interest in, or acquire an interest affected by, any contract, transaction, decision or other matter, if the commissioner or employee knows that the interest will be affected by the impending official action by the Authority. A commissioner or employee may not enter into any agreement or understanding with any person that official action by the commissioner or employee will be rewarded or reciprocated by the other person. A commissioner or employee shall not appoint or employ, or vote to appoint or employ, any relative within the third degree of consanguinity or second degree of affinity to any office or position within the Authority. No commissioner or employee shall supervise a relative in the third degree of consanguinity or second degree of affinity. If an employee, because of marriage,

promotion, reorganization, or otherwise, is placed into the line of supervision of a proscribed relative, one of the employees must be reassigned or other arrangements made for supervision. Any commissioner or employee shall disclose such a relationship or interest and refrain from participation in any discussion or official action in the affected matter.

Gifts

A commissioner or employee, and second degree relatives or outside business associates, shall not solicit, accept, or agree to accept any gift to benefit for himself or herself or an interested business entity that reasonably tends to influence or reward official conduct or that the commissioner or employee knows is being offered with the intent to influence or reward official conduct. A commissioner or employee shall not solicit any gift or benefit but may accept or agree to accept a non-cash gift of nominal value and meals in an individual expense of \$50 or less at any occurrence from any individual or business entity doing or seeking to do business with the Authority. However, except as provided in the sentence immediately below, such gifts may not in aggregate exceed \$250 during any 12-month period. Gifts of reasonable value related to a special occasion and the relationship between the donor and recipient, reasonable public awards, or rewards for meritorious service or professional achievement, scholarships and fellowships, admissions to events in his or her official capacity or a spouse's position, and solicitations for civic or charitable causes are excluded from this rule.

Confidential Information

A commissioner or employee shall not use his or her official position to obtain official information about any person or entity for any purpose other than in the performance of official duties. A commissioner or employee shall not intentionally, knowingly, or recklessly disclose any confidential information concerning the property, operations, policies, affairs, or tenants of the Authority excepted as permitted by the Texas Public Information Law or applicable federal law or regulation.

Representation of Private Interests

A commissioner or employee shall not represent any person, group, or entity before the Authority's board of commissioners or before staff having policy-making or decision-making responsibility. A commissioner or employee shall not assert the prestige of the commissioner's or employee's position for the purpose of advancing private interests or state, or imply that he or she is able to influence Authority action on any basis other than the merits.

Outside Employment

A commissioner or employee shall not solicit, accept, or engage in concurrent outside employment which could be reasonably expected to impair independence of judgment in or faithful performance of official duties. A commissioner or employee shall not provide services to an outside employer related to the commissioner or employee's official duties. A commissioner or employee shall disclose any outside employment to the Authority board of commissioners upon initial appointment and annually thereafter.

D. SOURCES OF LAW AND POLICY

Certain Texas laws govern the ethics of commissioners and employees of housing authorities. The Ethics Policy will be amended automatically to incorporate any legislative amendments to these statutes that become law.

Texas Housing Authorities Law

The Texas Housing Authorities Law, Tex. Local Government Code, Chapter 392, includes two provisions regarding conflicts of interest affecting commissioners and employees:

Sec. 392.042. Interested Commissioners.

- (a) In this section, "housing project" includes, in addition to the works or undertakings described by Subdivision (6) of Section 392.002:
- (1) a work or undertaking implemented for a reason described by Subdivision (6) of Section 392.002 that is financed in any way by public funds or tax-exempt revenue bonds; or
 - (2) a building over which the housing authority has jurisdiction and of which a part is reserved for occupancy by persons who receive income or rental supplements from a governmental entity.
- (b) Except as provided by Subsection (c), a commissioner of an authority may not have dealings with a housing project for pecuniary gain and may not own, acquire, or control a direct or indirect interest in a:
- (1) housing project;
 - (2) property included or planned to be included in a housing project;
 - (3) contract or proposed contract for the sale of land to be used for a housing project;
 - (4) contract or proposed contract for the construction of a housing project; or
 - (5) contract or proposed contract for the sale of materials or services to be furnished or used in connection with a housing project.
- (c) A commissioner may:
- (1) manage a housing project;
 - (2) own, acquire, or control a management company that renders management services to a housing project;
 - (3) continue to own or control an interest in a housing project held by the commissioner before the commissioner's term of office began; or

Ethics Policy

(4) own, acquire, or control an interest in, or have dealings with, a housing project over which the commissioner's housing authority does not have jurisdiction.

(d) If a commissioner manages, owns, acquires, or controls a direct or indirect interest in property included or planned to be included in a housing project or has any other dealings for pecuniary gain with a housing project, the commissioner shall immediately disclose the interest or dealings to the authority in writing. The disclosure shall be entered in the minutes of the authority. The failure to disclose the interest constitutes misconduct of office.

(e) A commissioner who knowingly or intentionally violates Subsection (b) or (d) commits an offense. An offense under this subsection is a felony of the third degree.

(f) A person finally convicted under Subsection (e) is ineligible for future employment with the state, a political subdivision of the state, or a public corporation formed under the authority of the state or a political subdivision of the state.

§ 392.043. Interested Employees

(a) Except as provided by Subsection (b), (c), or (f), an employee of an authority may not have dealings with a housing project for pecuniary gain and may not own, acquire, or control a direct or indirect interest in a:

- (1) housing project;
- (2) property included or planned to be included in a housing project;
- (3) contract or proposed contract for the sale of land to be used for a housing project;

(c) Except as otherwise permitted by this chapter or another law, an employee of an authority may not be employed by or otherwise contract to provide services to another authority unless the first authority gives its written consent to the employment or contract. An employee of an authority who is employed by or who contracts to provide services to another authority under this subsection does not violate Subsection (a) or (b).

(d) An employee who knowingly or intentionally violates Subsection (a) or (c) commits an offense. An offense under this subsection is a felony of the third degree.

(e) A person finally convicted under Subsection (d) is ineligible for future employment with the state, a political subdivision of the state, or a public corporation formed under the authority of the state or a political subdivision of the state.

(f) An employee of an authority may be a party to or otherwise participate in a contract or agreement for assistance under a housing program, including a contract or agreement for public housing, Section 8 housing assistance, low-interest home loans, lease-purchase assistance, or down payment assistance, to the same extent as a member of the public if the employee qualifies for assistance under the program.

(g) In this section, "Section 8 housing assistance" means housing assistance provided under Section 8, United States Housing Act of 1937 (42 U.S.C. Section 1437f).

Local Public Official Conflict of Interest

HARRIS COUNTY HOUSING AUTHORITY

Ethics Policy

The Texas Government Code, Chapter 171, establishes conflict of interest boundaries for local public officials. Those applicable to housing authority commissioners and officers are included below:

§ 171.001. Definitions

In this chapter:

(1) "Local public official" means a member of the governing body or another officer, whether elected, appointed, paid, or unpaid, of any district (including a school district), county, municipality, precinct, central appraisal district, transit authority or district, or other local governmental entity who exercises responsibilities beyond those that are advisory in nature.

(2) "Business entity" means a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust, or any other entity recognized by law.

§ 171.002. Substantial Interest in Business Entity

(a) For purposes of this chapter, a person has a substantial interest in a business entity if:

(1) the person owns 10 percent or more of the voting stock or shares of the business entity or owns either 10 percent or more or \$15,000 or more of the fair market value of the business entity; or

(2) funds received by the person from the business entity exceed 10 percent of the person's gross income for the previous year.

(b) A person has a substantial interest in real property if the interest is an equitable or legal ownership with a fair market value of \$2,500 or more.

(c) A local public official is considered to have a substantial interest under this section if a person related to the official in the first degree by consanguinity or affinity, as determined under Chapter 573, Government Code, has a substantial interest under this section.

§ 171.003. Prohibited Acts; Penalty

(a) A local public official commits an offense if the official knowingly:

(1) violates Section 171.004;

(2) acts as surety for a business entity that has work, business, or a contract with the governmental entity; or

(3) acts as surety on any official bond required of an officer of the governmental entity.

(b) An offense under this section is a Class A misdemeanor.

§ 171.004. Affidavit and Abstention From Voting Required

(a) If a local public official has a substantial interest in a business entity or in real property, the official shall file, before a vote or decision on any matter involving the business entity or the real property, an affidavit stating the nature and extent of the interest and shall abstain from further participation in the matter if:

(1) in the case of a substantial interest in a business entity the action on the matter will have a special economic effect on the business entity that is distinguishable from the effect on the public; or

HARRIS COUNTY HOUSING AUTHORITY

Ethics Policy

(2) in the case of a substantial interest in real property, it is reasonably foreseeable that an action on the matter will have a special economic effect on the value of the property, distinguishable from its effect on the public.

(b) The affidavit must be filed with the official record keeper of the governmental entity.

(c) If a local public official is required to file and does file an affidavit under Subsection (a), the official is not required to abstain from further participation in the matter requiring the affidavit if a majority of the members of the governmental entity of which the official is a member is composed of persons who are likewise required to file and who do file affidavits of similar interests on the same official action.

§ 171.005. Voting on Budget

(a) The governing body of a governmental entity shall take a separate vote on any budget item specifically dedicated to a contract with a business entity in which a member of the governing body has a substantial interest.

(b) Except as provided by Section 171.004(c), the affected member may not participate in that separate vote. The member may vote on a final budget if:

- (1) the member has complied with this chapter; and
- (2) the matter in which the member is concerned has been resolved.

§ 171.006. Effect of Violation of Chapter

The finding by a court of a violation under this chapter does not render an action of the governing body voidable unless the measure that was the subject of an action involving a conflict of interest would not have passed the governing body without the vote of the person who violated the chapter.

§ 171.007. Common Law Preempted; Cumulative of Municipal Provisions

(a) This chapter preempts the common law of conflict of interests as applied to local public officials.

(b) This chapter is cumulative of municipal charter provisions and municipal ordinances defining and prohibiting conflicts of interests.

§ 171.009. Service on Board of Corporation for No Compensation

It shall be lawful for a local public official to serve as a member of the board of directors of private, nonprofit corporations when such officials receive no compensation or other remuneration from the nonprofit corporation or other nonprofit entity.

Texas Nepotism Law

The Texas Nepotism Law, Texas Government Code, Chapter 573, limits the relationships of a public official to employees and candidates for public positions:

§ 573.001. Definitions

In this chapter:

- (1) "Candidate" has the meaning assigned by Section 251.001, Election Code.
- (2) "Position" includes an office, clerkship, employment, or duty.
- (3) "Public official" means:

HARRIS COUNTY HOUSING AUTHORITY

Ethics Policy

- (A) an officer of this state or of a district, county, municipality, precinct, school district, or other political subdivision of this state;
- (B) an officer or member of a board of this state or of a district, county, municipality, school district, or other political subdivision of this state; or
- (C) a judge of a court created by or under a statute of this state.

§ 573.002. Degrees of Relationship

Except as provided by Section 573.043, this chapter applies to relationships within the third degree by consanguinity or within the second degree by affinity.

SUBCHAPTER B. RELATIONSHIPS BY CONSANGUINITY OR BY AFFINITY

§ 573.021. Method of Computing Degree of Relationship

The degree of a relationship is computed by the civil law method.

§ 573.022. Determination of Consanguinity

- (a) Two individuals are related to each other by consanguinity if:
 - (1) one is a descendant of the other; or
 - (2) they share a common ancestor.
- (b) An adopted child is considered to be a child of the adoptive parent for this purpose.

§ 573.023. Computation of Degree of Consanguinity

- (a) The degree of relationship by consanguinity between an individual and the individual's descendant is determined by the number of generations that separate them. A parent and child are related in the first degree, a grandparent and grandchild in the second degree, a great-grandparent and great-grandchild in the third degree and so on.
- (b) If an individual and the individual's relative are related by consanguinity, but neither is descended from the other, the degree of relationship is determined by adding:
 - (1) the number of generations between the individual and the nearest common ancestor of the individual and the individual's relative; and
 - (2) the number of generations between the relative and the nearest common ancestor.
- (c) An individual's relatives within the third degree by consanguinity are the individual's:
 - (1) parent or child (relatives in the first degree);
 - (2) brother, sister, grandparent, or grandchild (relatives in the second degree); and
 - (3) great-grandparent, great-grandchild, aunt who is a sister of a parent of the individual, uncle who is a brother of a parent of the individual, nephew who is a child of a brother or sister of the individual, or niece who is a child of a brother or sister of the individual (relatives in the third degree).

§ 573.024. Determination of Affinity

- (a) Two individuals are related to each other by affinity if:
 - (1) they are married to each other; or
 - (2) the spouse of one of the individuals is related by consanguinity to the other individual.

HARRIS COUNTY HOUSING AUTHORITY

Ethics Policy

(b) The ending of a marriage by divorce or the death of a spouse ends relationships by affinity created by that marriage unless a child of that marriage is living, in which case the marriage is considered to continue as long as a child of that marriage lives.

(c) Subsection (b) applies to a member of the board of trustees of or an officer of a school district only until the youngest child of the marriage reaches the age of 21 years.

§ 573.025. Computation of Degree of Affinity

(a) A husband and wife are related to each other in the first degree by affinity. For other relationships by affinity, the degree of relationship is the same as the degree of the underlying relationship by consanguinity. For example: if two individuals are related to each other in the second degree by consanguinity, the spouse of one of the individuals is related to the other individual in the second degree by affinity.

(b) An individual's relatives within the third degree by affinity are:

- (1) anyone related by consanguinity to the individual's spouse in one of the ways named in Section 573.023(c); and
- (2) the spouse of anyone related to the individual by consanguinity in one of the ways named in Section 573.023(c).

SUBCHAPTER C. NEPOTISM PROHIBITIONS

§ 573.041. Prohibition Applicable to Public Official

A public official may not appoint, confirm the appointment of, or vote for the appointment or confirmation of the appointment of an individual to a position that is to be directly or indirectly compensated from public funds or fees of office if:

- (1) the individual is related to the public official within a degree described by Section 573.002; or
- (2) the public official holds the appointment or confirmation authority as a member of a state or local board, the legislature, or a court and the individual is related to another member of that board, legislature, or court within a degree described by Section 573.002.

§ 573.062. Continuous Employment

(a) A nepotism prohibition prescribed by Section 573.041 or by a municipal charter or ordinance does not apply to an appointment, confirmation of an appointment, or vote for an appointment or confirmation of an appointment of an individual to a position if:

- (1) the individual is employed in the position immediately before the election or appointment of the public official to whom the individual is related in a prohibited degree; and
- (2) that prior employment of the individual is continuous for at least:
 - (A) 30 days, if the public official is appointed;
 - (B) six months, if the public official is elected at an election other than the general election for state and county officers; or
 - (C) one year, if the public official is elected at the general election for state and county officers.

(b) If, under Subsection (a), an individual continues in a position, the public official to whom the individual is related in a prohibited degree may not participate in any

Ethics Policy

deliberation or voting on the appointment, reappointment, confirmation of the appointment or reappointment, employment, reemployment, change in status, compensation, or dismissal of the individual if that action applies only to the individual and is not taken regarding a bona fide class or category of employees.

SUBCHAPTER E. ENFORCEMENT

§ 573.081. Removal In General

(a) An individual who violates Subchapter C or Section 573.062(b) shall be removed from the individual's position. The removal must be made in accordance with the removal provisions in the constitution of this state, if applicable. If a provision of the constitution does not govern the removal, the removal must be by a quo warranto proceeding.

(b) A removal from a position shall be made immediately and summarily by the original appointing authority if a criminal conviction against the appointee for a violation of Subchapter C or Section 573.062(b) becomes final. If the removal is not made within 30 days after the date the conviction becomes final, the individual holding the position may be removed under Subsection (a).

§ 573.082. Removal by Quo Warranto Proceeding

(a) A quo warranto proceeding under this chapter must be brought by the attorney general in a district court in Travis County or in a district court of the county in which the defendant resides.

(b) The district or county attorney of the county in which a suit is filed under this section shall assist the attorney general at the attorney general's discretion.

§ 573.083. Withholding Payment of Compensation

A public official may not approve an account or draw or authorize the drawing of a warrant or order to pay the compensation of an ineligible individual if the official knows the individual is ineligible.

§ 573.084. Criminal Penalty

(a) An individual commits an offense involving official misconduct if the individual violates Subchapter C or Section 573.062(b) or 573.083.

(b) An offense under this section is a misdemeanor punishable by a fine not less than \$100 or more than \$1,000.
